## **Who we are**

Mindset Network is Africa's largest education network and delivering over 4 new hours of educational content a day in Sub-Saharan Africa.

## **Our contribution in supporting Woza Matrics**

We don't have clarity on what is required yet.

## **Why we support Woza Matrics**

Mindset has 17 years had a very keen focus on Matric in the ICT space, so its an obvious extension of our work and its recorded impact.

## **Quote**

"Mindset Network echoes the concerns of learners, teachers and the Department of Education regarding the hard task the class of 2020 is facing. Mindset is proud to be able to support in any way possible." – Mindset Network CEO, Dylan Green
